

Horry County Schools would like to extend an invitation to business members from the community to serve on the Superintendent's Business Cabinet. Our school district values the partnerships and support of our business community. This is an advisory group consisting of local business men and women who meet with the Superintendent and members of Administration from the District Office three times each year. During this meeting, we update members of the business community with information concerning educational topics, and we solicit input from the Cabinet. This is an opportunity for you to learn what is going on inside Horry County Schools and provide input on the direction we need to be moving towards.

Please consider joining the Superintendent's Business Cabinet as we have a role in reaching our vision. Partnerships among family, community, and school are imperative to students' social and academic success. If you would like to join, complete the section below. You can give the form to me or email it to [cgerald@horrycountyschools.net](mailto:cgerald@horrycountyschools.net). If you have any questions, please feel free to call me at 843-488-6896. The agenda and meeting reminders will be sent by email.

Sincerely,

A handwritten signature in blue ink that reads 'John K. Gardner'.

John K. Gardner,  
Chief Financial Officer
